Version for the United States. Free to download and print. Get organized and plan ahead with these colorful, flexible multi-year calendars and planners! The templates are blank, printable and macro-free and are easy to edit, amend, save and use again later. They are saved in Microsoft Word ".docx" format and can be used with the newer versions of Word that support the XML document standard (files with ".docx" extension - Word 2007, 2010, 2013, 2016, 2019, 2021 and Office 365). If you have one of the older versions of Word that only supports the ".doc" format (Word 2000, 2002/XP & 2003), or if you don't have Word installed, use Microsoft Office Online or one of the free Microsoft Word/Microsoft Office alternatives FreeOffice TextMaker, LibreOffice Writer and Google Docs, which are all free of charge (OpenOffice Writer unfortunately has formatting problems when opening our calendars), or use a docx to doc converter (available for online or offline use). Also compatible with Microsoft Office for Mac (macOS) and Microsoft Office mobile for iPad/iOS, Android and Windows 10 mobile. Read more about the various Word versions and file formats on Wikipedia. More free Word calendar templates are also available from the Microsoft template gallery (calendar section). The files can be easily modified and adapted to meet your specific requirements, then saved and used again at a later stage. All calendars are blank, macro-free, editable and printable and may be used free of charge for non-commercial use, provided that the Calendarpedia logo, the copyright notice ("© Calendarpedia®, www.calendarpedia.com") and the disclaimer ("Data provided 'as is' without warranty") are not removed.
